**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in an area where there are not phone poles where Sonic can string their fiber optic lines.

I need to have access to the AT&T copper lines.

Please do not take away my internet access. I am living on a very tight income thus cannot move to some of the big providers.

I hope someday to have a fiber connection with Sonic but at this time it appears to be in the distant future.

Consider us little guys who pay our taxes to support you government guys.

Thank you

Paul Toulmin
